

JASPER GARCIA

GRAPHIC DESIGNER

My goals are to leverage what I've learned so far and further progress my illustrations, designs and animations. I am actively looking for new learning opportunities and personal development in the form of internships, apprenticeships or an entry level position in the creative industries.

JOB & EXPERIENCE

2023 – 2024

Social Media Graphic Design

Seen & Heard | Los Angeles | www.seenandheard.org

After successfully graduating from their student program, I took on the role of Social Media Designer for their nonprofit organization. Projects included amplifying the Seen & Heard Instagram presence using bold typography and graphics, while adhering to their established brand identity and color palate.

- Supplied weekly designs based upon requested content and upcoming events.
- Responded to feedback and edited the designs to meet their communication goals.
- Also participated on their Youth Advisory Board.

April – December 2024

Animation Intern

Better Youth | Los Angeles | www.betteryouth.org

Learned the fundamentals of animation as one of 15 students in a 9-month intensive program. I participated in collaborative projects and learned Toon Boom Harmony, storyboarding, character design, as well as creating my own animated short. The program involved weekly in-person sessions, combined with two virtual sessions each week.

- Necessitated adhering to strict project deadlines.
- Opted to attend additional sessions known as “boot camp” to increase my knowledge and progress my animations.

EDUCATION

Currently studying to earn my high school diploma. Expected completion date: June 2025.
